

Quick splice connectors, LP type

FEATURES & BENEFITS

facilitate electric contact with cable conductor without stripping its insulation

facilitate branching of cable using connectors

connection does not require crimping tools

LOGISTIC DATA

Quantity in package [pcs] 100

MECHANICAL DATA

Insulation polyamide 6.6

Material Cu

Surface tin-plated

Operating temperature [°C] -30 ÷ +95

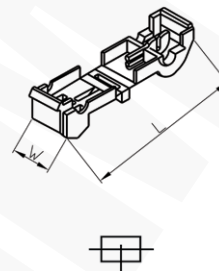

DIMENSIONS

L 38

W 10

NOTE!

Suggested connector: 6.3x0.8

Type	Index Ergom	Cross-section [mm²]	Insulation colour	Weight [kg]
LP 1 (100 PCS)	E10KN-03050100101	0,5÷1	red	0,13
LP 2,5 (100 PCS)	E10KN-03050100201	0,75÷2,5	blue	0,14
LP 6 (100 PCS)	E10KN-03050100301	4÷6	yellow	0,16
