

## FEATURES &amp; BENEFITS

cutter with double-layer grip insulation, 1,000 V

blades designed for cutting Al cables up to Ø 20 mm and Cu cables up to Ø 16 mm

easy cutting at minimum cable conductor deformation, even surfaces of cables being cut off

## LOGISTIC DATA

|             |                   |
|-------------|-------------------|
| Type        | KTI 20            |
| Index Ergom | E06NR-03040200101 |
| Weight [kg] | 0,58              |

## DIMENSIONS

|             |     |
|-------------|-----|
| Length [mm] | 230 |
|-------------|-----|

| CUTTING OFF                  | Max. cross-section of cut off cable [mm <sup>2</sup> ] | Max. diameter of cut off cable [mm] |
|------------------------------|--------------------------------------------------------|-------------------------------------|
| Single-wire aluminium cables | 95                                                     | 20                                  |
| Single-wire copper cables    | 70                                                     | 14                                  |
