

Roof fan, WRFD 570/230

FEATURES & BENEFITS

-  fan for switchgear climate control
-  simple installation and replacement of filter cartridge
-  silent operation and high performance
-  high motor durability resulting from bearings used

LOGISTIC DATA

Type	WRFD 570/230
Index Ergom	R37RC-02010101001

MECHANICAL DATA

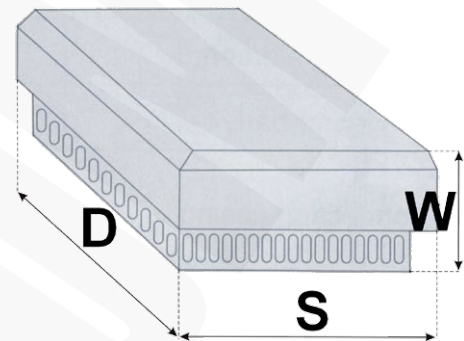

Colour	RAL 7032
Air flow [m³/h]	570/620
Flammability class, as per UL 94	V2
Material	ABS/ stal - lakierowana proszkowo
Noise level [dB]	62
IP degree of protection	IP23
Ambient temperature [°C]	-10 ÷ +50

ELECTRICAL DATA

Power [W]	58/75
Rated voltage [V AC]	230
Rated current [A AC]	0,26
Electrical insulation strength [kV]	>1,0

DIMENSIONS

D	310
S	130
W	310
